

REMARKS

This is in response to the Notice of Non-Compliant Amendment mailed November 12, 2008. The error in submitting the claims in the previous response is regretted.

The present claims have been amended only in regard to making sure that proper antecedent basis is present in the dependent claims that depend from claim 23, and this has been done by making amendments to independent claim 23 and other amendments to the dependent claims. It is respectfully believed that there has been no change in scope of the claims or the allowability of the claims.

The Terminal Disclaimer that was filed is reaffirmed, and it is respectfully requested that it be entered.

A decision on this request is respectfully requested.

It is believed that the present claims are properly being submitted and amended, and that the case is in condition for allowance.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to deposit account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
